There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the "Spirit of '76."

What was that spirit — and indeed what is that spirit today? The 1976 Panorama attempts to define that spirit as it exists in the life of Fort Cherry . . .

The Class of 1976 is a special class for all of us to remember. It is the Bicentennial Class. Two hundred years of educational history have passed from simple instruction in the home to elaborate facilities from which students graduate today.

The stopping place for formal learning experiences is no longer a simple elementary education but further education after high school graduation to higher education and skill learning in colleges and universities, vocational and technical schools, work experience programs, and other adult education.

The faculty and administration wish for you continuing success as you develop your learning processes as responsible adults.

MR. GUY TORNABENE

In June of 1975, after thirty-nine years with the Fort Cherry School District, Mr. Guy Tornabene retired. Starting in 1936, he worked as a teacher, a coach, an assistant principal, and finally as the high school principal. We of the Panorama staff, along with the administration and faculty, take this opportunity to commend Mr. Tornabene for his many years of dedicated service and to wish him a long and happy retirement.

Dr. Charles W. White, our new high school principal, comes to Fort Cherry from Montour High School where he served as an assistant principal for five years. Prior to this, Dr. White also taught mathematics at Stowe, Sto-Rox, and Montour High Schools. Highly qualified, he attended the University of Pittsburgh where he earned a B.B.A. in Business Administration, a M.Ed. in Secondary Education, and a Ph.D. in Educational Administration. We bid Dr. White welcome and wish him many years of success at Fort Cherry High School.

D.A.R. Award

American Legion Auxiliary Award

Tammy Toward has been selected by the Senior Class as the 1976 recipient of both the Daughters of American Revolution Award and the American Legion Auxiliary Award. Tammy is well qualified for these awards. She is an active member of the Drama Club, the Comparative Religions Club, the Student Council, the National Honor Society, and the Y.E.A., where she holds the office of Vice President. Tammy is also Head Majorette, was a member of the Homecoming Court, and has represented Fort Cherry at a Science Symposium at Penn State University.

The qualities for the D.A.R. award on which she was chosen are character, dependability, service and patriotism. The American Legion Auxiliary Award is based on good citizenship - service, honor, scholarship, leadership, Americanism, and moral courage. We think Tammy is very deserving of these awards and would like to congratulate her on this achievement.

TOO SOON

Into this world I came -

Too soon.*

And from its realm I left -

Too soon!

And yet - what IS too soon?

When life has become complete

In love of nature and fellowman -

In the joy of beauty and music -

In friendships made and molded -

In trust and faith in one's Lord -

Can one REALLY leave - too soon?

I think not - I pray not!

May I have left a part of myself

With all of those whom I knew -

May they remember, and in remembering

Open their eyes to beauty and duty -

Love their neighbors and fellowman -

Become as One with their Christ, the Lord -

It's NEVER too soon - it MAY be too late!

Miss Ruth White

In loving memory of

Lois Ruth Beard (1958-1973)

Helen Marie Klein (1958-1972)

Samuel Albert Hampson (1957-1972)

*Lois was a premature baby.

Cindy Russell - 1959-1975

Cindy my friend,
 You lifted my heart high
 Without the slightest try
 With your smile we could see
 You did not need or want pity
 Cindy my friend,
 I released a slight tear
 For all that you feared
 Your smile, your face
 I see you everywhere
 Cindy my friend
 My friend, Cindy

Virginia Butler

In living of life so strongly
 she could not help but to share with others
 a part of herself,
 to share a beauty of spirit and courage,
 to give to each and every one of us
 her rare and beautiful dream
 that whispers still;
 I have faith in our yesterdays
 love in our todays
 and hope in our tomorrows.
 Faith, hope and love.
 Of all these that radiated forth,
 the greatest of hers was love.

Fort Cherry Gym and Health Classes Go Co-Educational

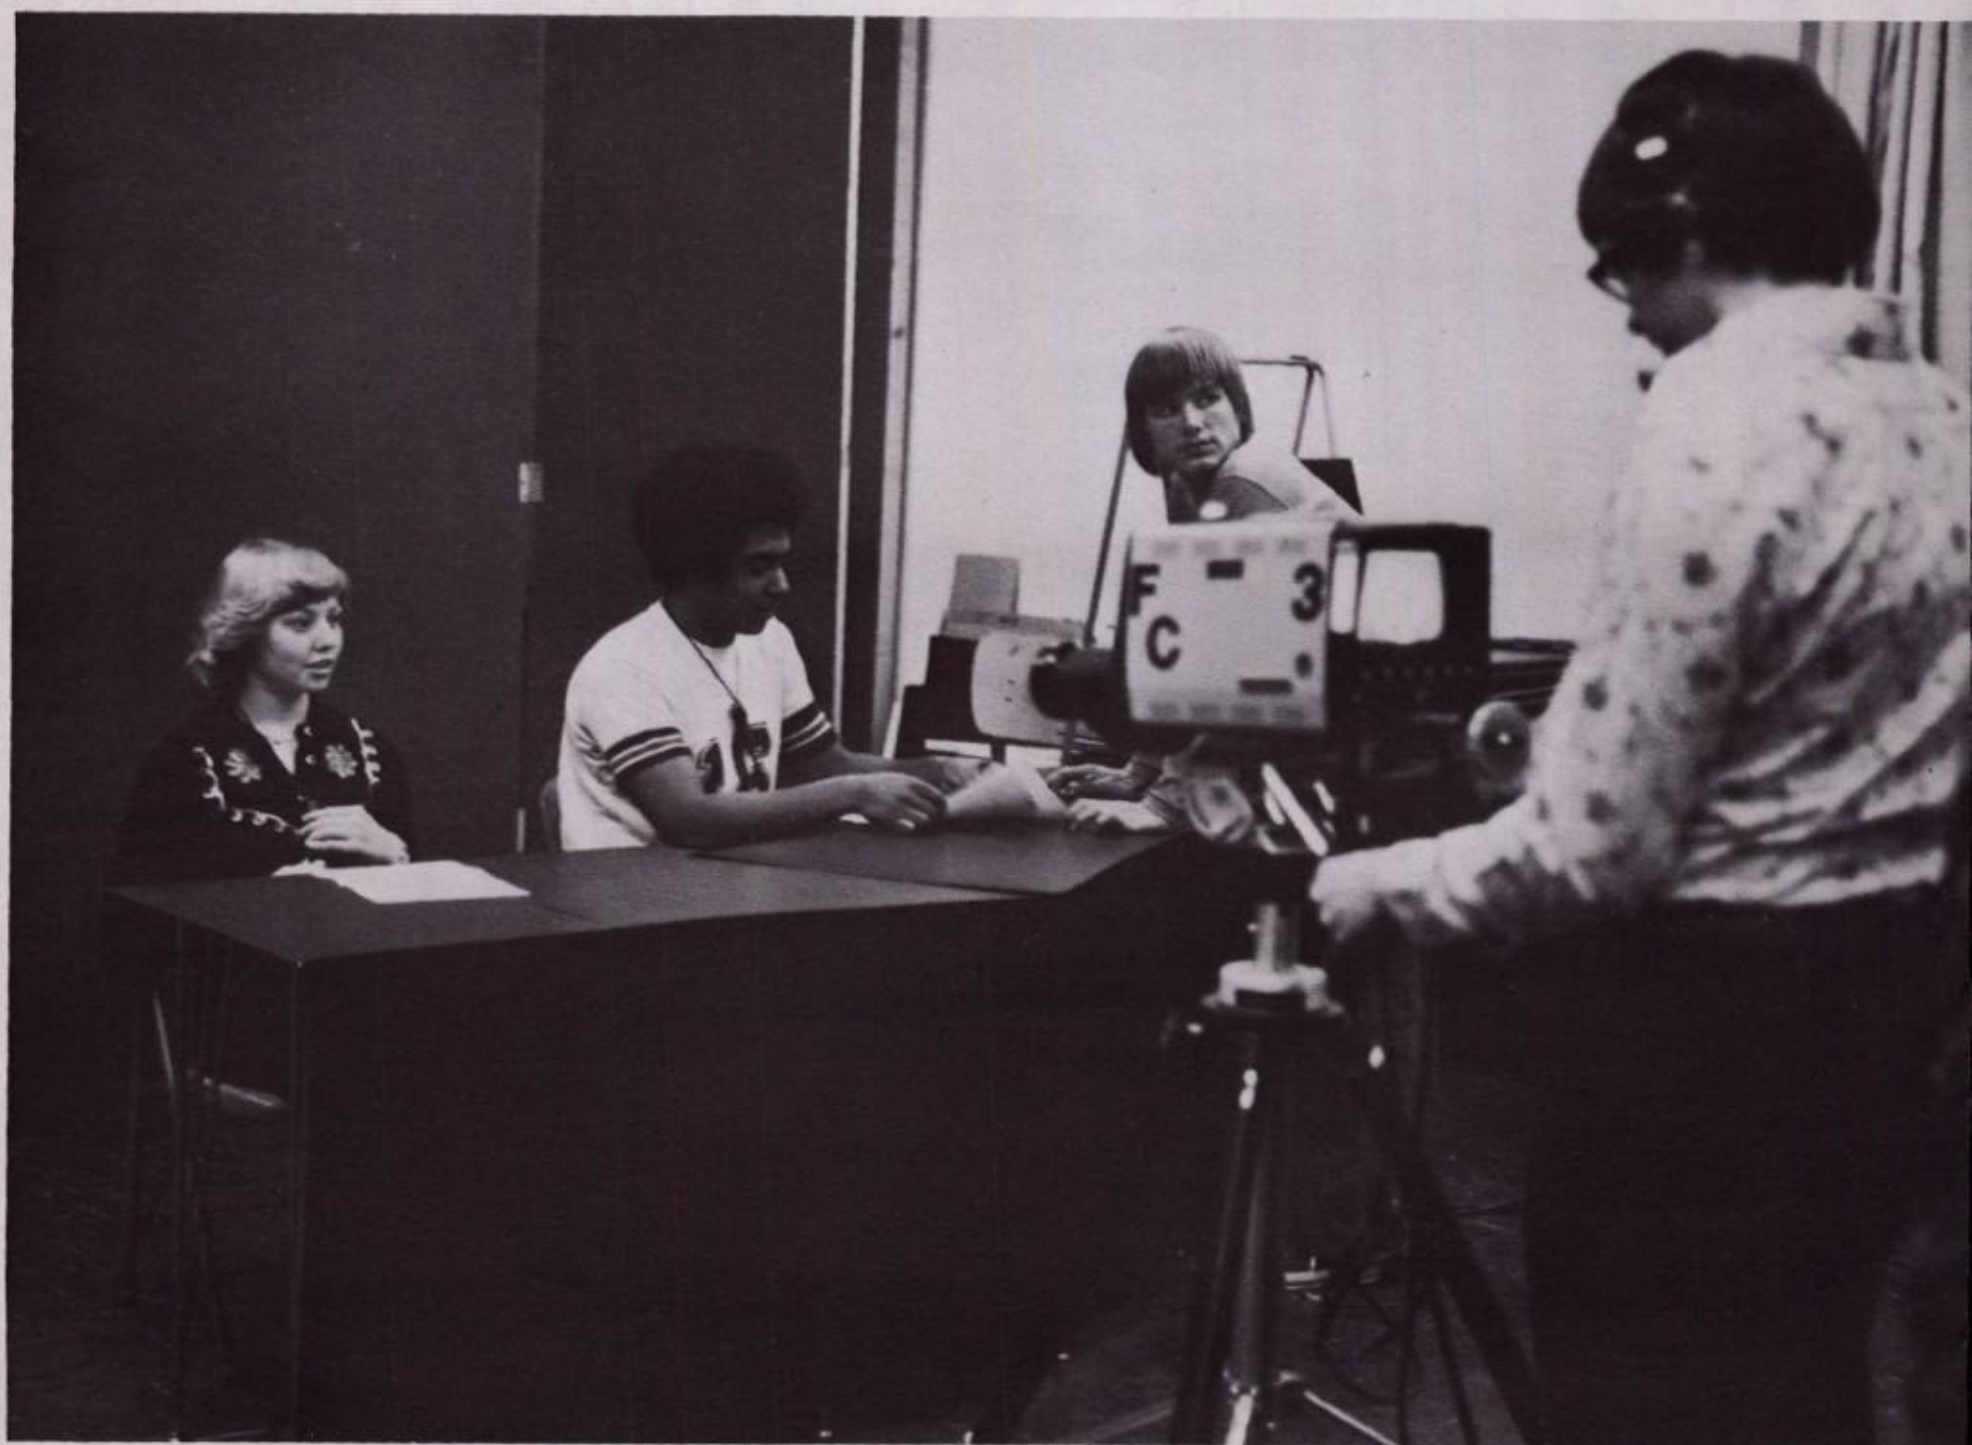

Because of a new state law, Fort Cherry gym and health classes are now co-educational. In health classes, in addition to the traditional subjects of teeth care and mental health, the boys are now learning how to defend themselves against purse snatching and the girls are learning the fundamentals of shaving. Surprisingly, the gym classes are also progressing better than expected. Recreational classes where a "do your own thing" atmosphere exists, give students a chance to exercise and relax at the same time.

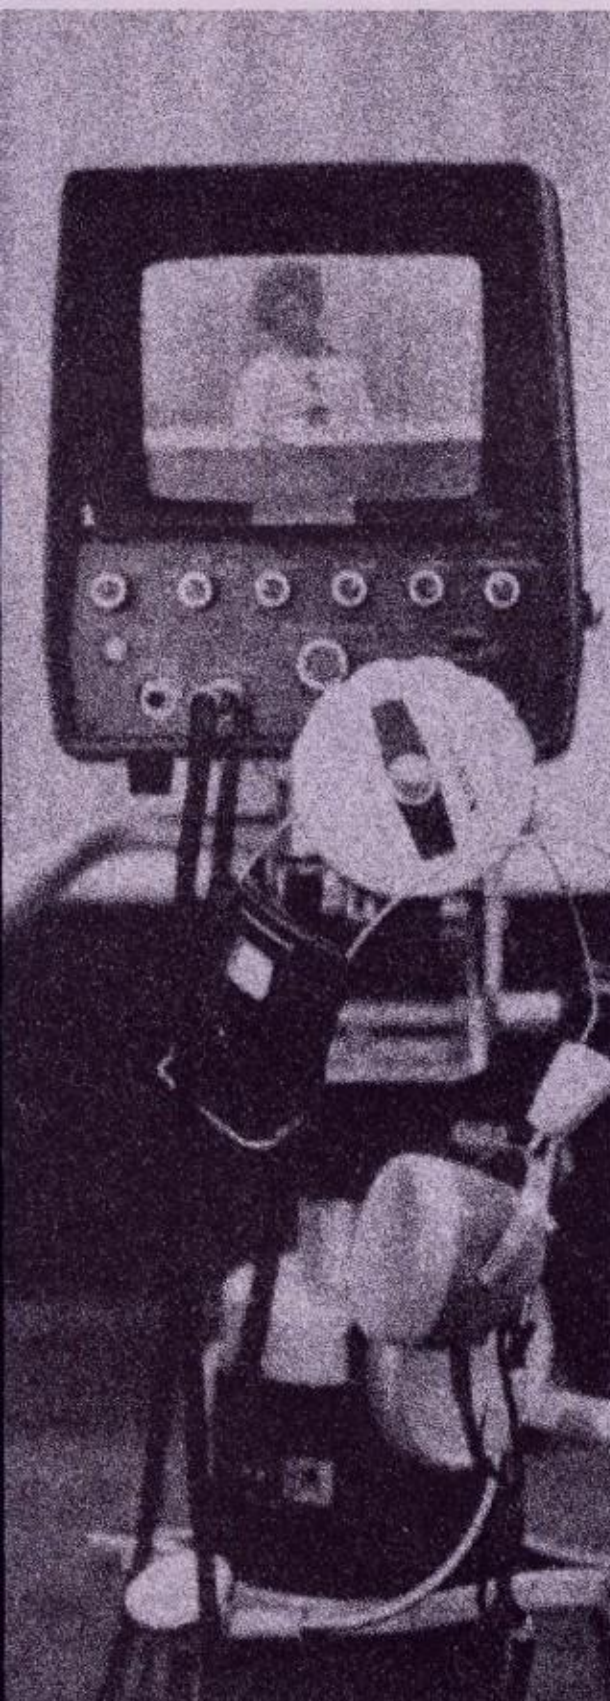

Ping-pong, volleyball, tennis, weightlifting, archery, and dodgeball (F.C.'s answer to "Rollerball") are the favorite activities among the students. The mixed roster seems to make both gym and health classes more interesting.

*T.V.
PRODUC-
TION
CLASSES
OFFERED
FOR
FIRST
TIME*

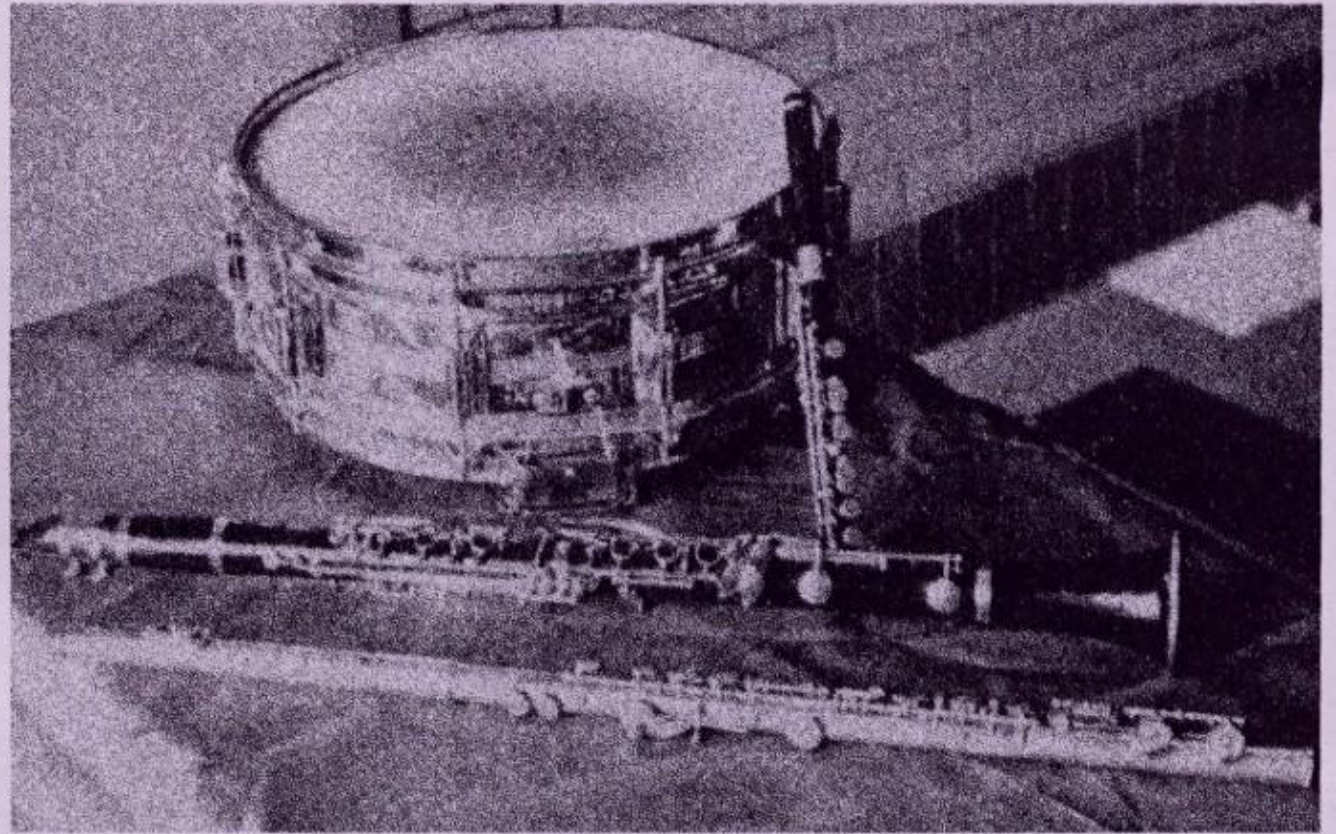

Writing, producing, directing, filming, and editing a television show is a rare experience for most people, unless, of course, one is lucky enough to have signed up for one of the three T.V. Production classes now being offered at Fort Cherry. The classes, taught by Mr. Horner, are designed to teach students how to write scripts, make graphics, record, film and broadcast fifteen minute programs with the students themselves also serving as actors. The shows produced thus far have included subjects and formats ranging from interviews of coaches and foreign students to "Happy Homemakers" baking brownies. The classes are also responsible for the taping of sporting events and other activities of interest around the school.

JR. HIGH BAND NOW A CLASS

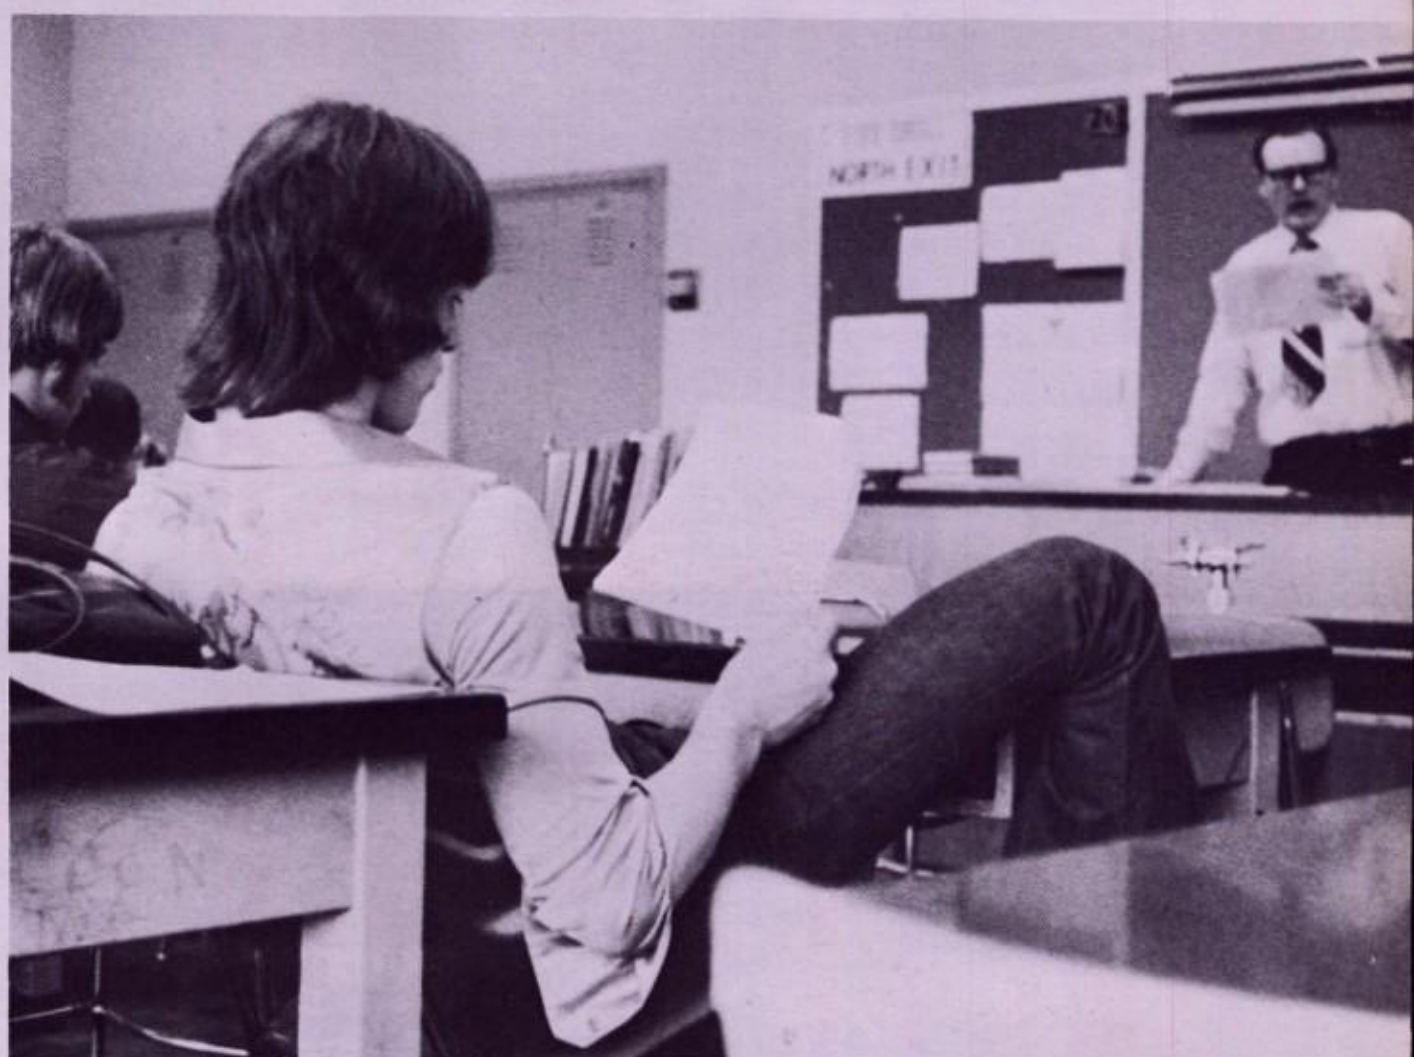

Finding time to practice was always a problem with the Jr. High Band. Staying after school was a big sacrifice, and activity periods just weren't frequent enough for all the practice time required to have a good band. What better solution then to offer Jr. High Band as a class! Not only is this a better way to prepare students for the Sr. High Band, but it also gives them more time to join clubs, to participate in sports, and, of course, to practice. Under the direction of Mr. Burns, the Jr. High Band now has a better chance of developing first rate musicians.

TEAM TEACHING WITH VO-TECH

Having one teacher for forty-seven minutes at a time is bad enough, but no matter how good the teacher or how interesting the subject, having one teacher for two periods in a row in one day as the Vo-Tech students used to have, can lead to boredom, restlessness, and diversion-hunting. This year, Fort Cherry has come up with a very pragmatic solution to the problem - team-teaching. With this method, the Vo-Tech students can be exposed to more teachers and views by having two different history teachers, Mr. Rohm and Mr. Yanosik, and two different English teachers, Mr. Noll and Miss Saint-John. In addition to their classes at Western Area Vo-Tech, Vo-Tech students can now learn more easily about sociology, political systems, poetry and grammar. These skilled people have also formed a "Homeroom Club" with their homeroom teacher and companion, Mr. Filosi.

Miss Donelli, a very talented and enthusiastic teacher, is making things happen in the Art Dept. Not only are the bulletin boards around the school always filled with appropriate displays, but even the walls of her classroom are now covered with interesting murals of blue birds, rainbows, faces, and flowers. Besides representing Fort Cherry in various art shows in the area, Miss Donelli and her students also have great plans to decorate every wall in Fort Cherry with colorful works of art.

ART CLASSES TO PAINT F.C. WALLS

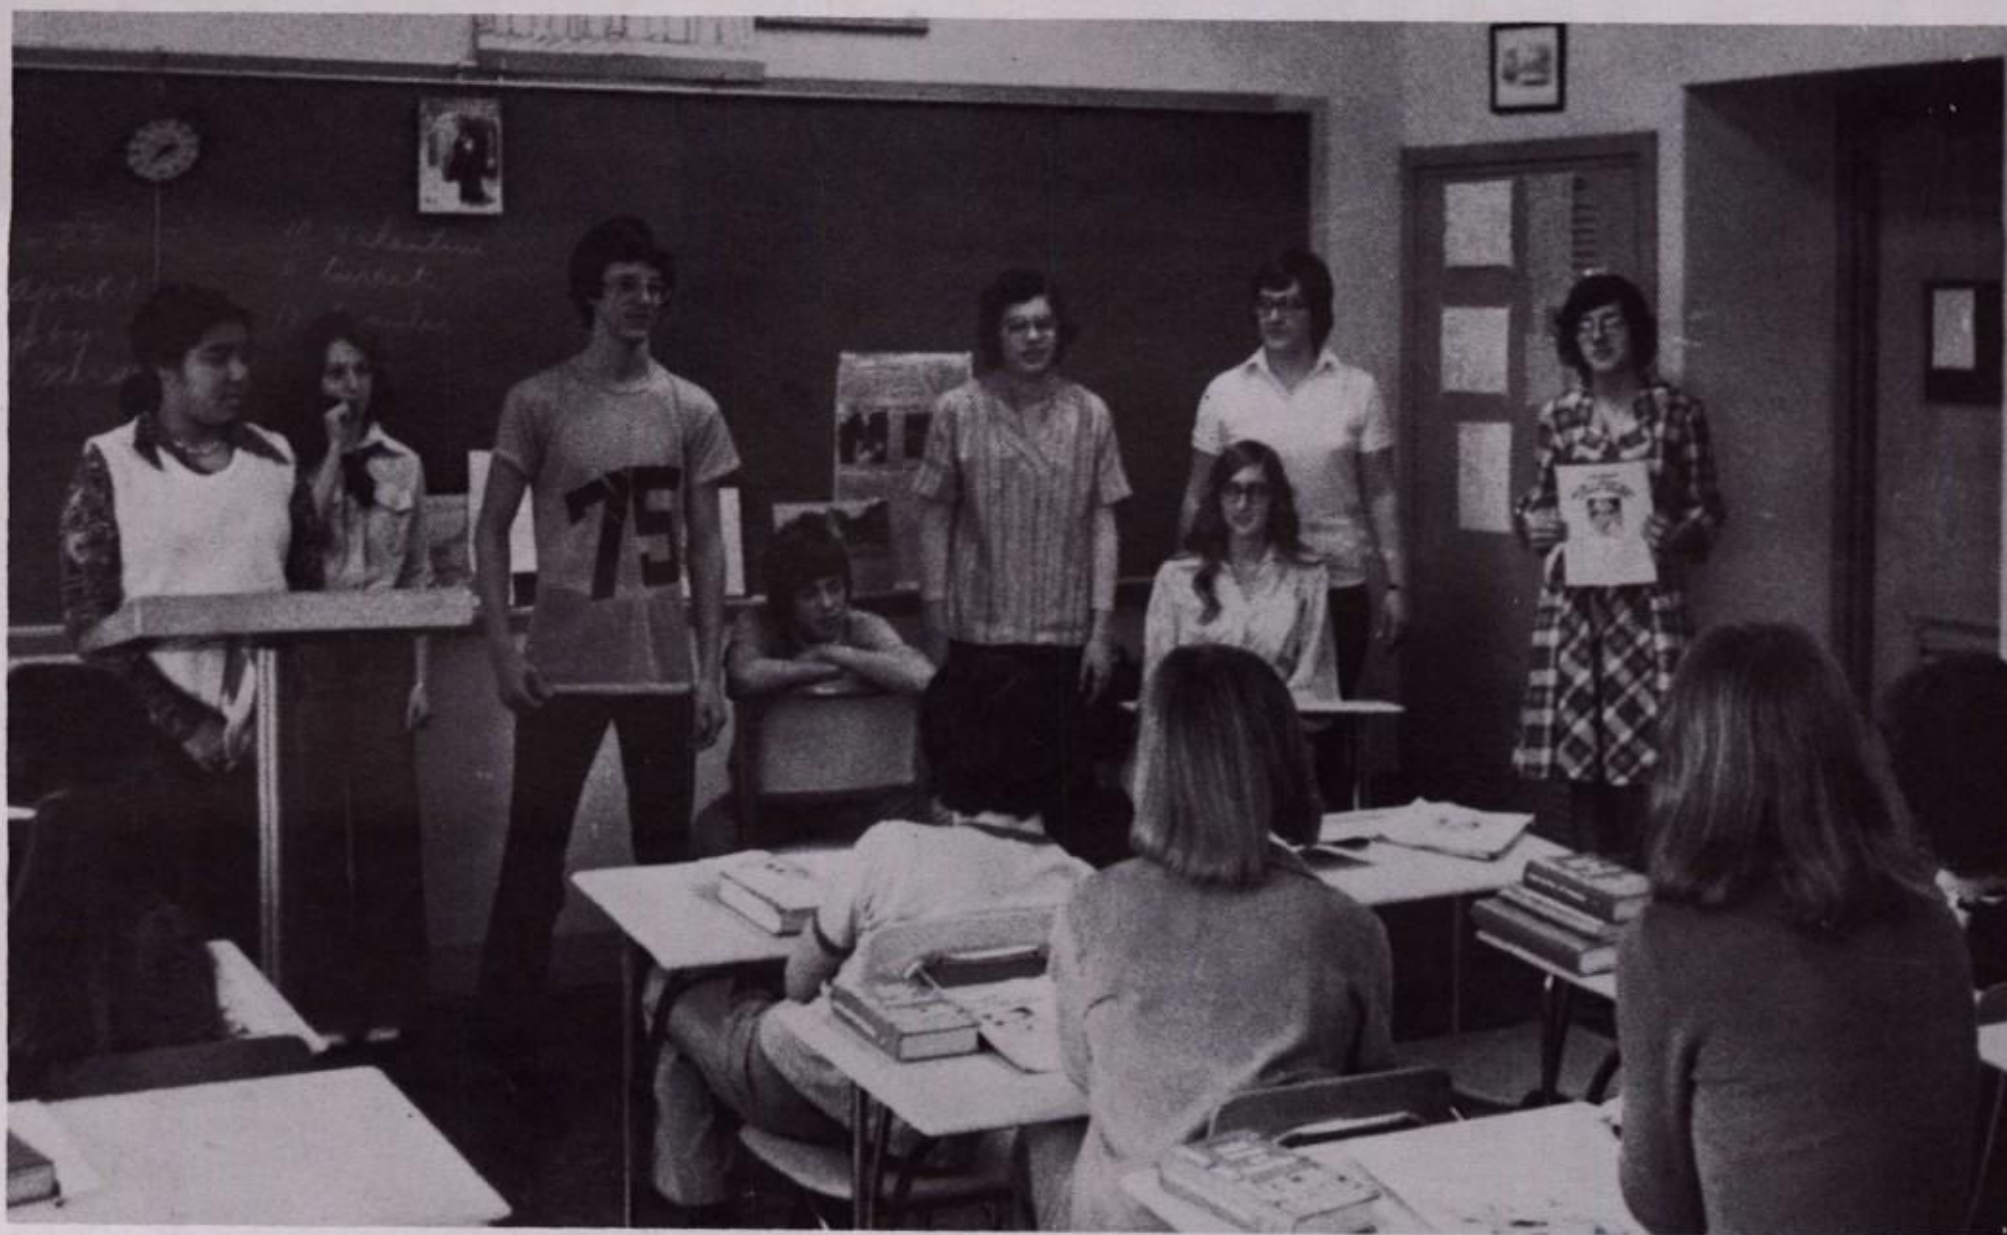

GIRLS TAKE SHOP; BOYS TAKE HOME EC

The boys proudly give "their women" a gift of delicious apple pie or a sweet sugary donut. The girls carry home the latest handy hints to their fathers along with their bookshelves or end tables. It's all a result of the senior boys taking advantage of the home economics classes offered and the senior girls taking the shop classes. Of course, the boys are expected to wear the aprons that they themselves make before they can do the cooking and baking that they enjoy the most. In the same spirit, the girls must first familiarize themselves with the tools and techniques that the boys have been taught since at least seventh grade. Who says women's lib hasn't come to Fort Cherry?

Designed to help students prepare for college, the "revolving" English classes are made up of students chosen according to their academic record.

The classes, scheduled during sixth period, include a tenth grade class, an eleventh grade class, and a twelfth grade class. Taught by Miss Cowden,

Mr. Morrison, and Mr. Lusi, the students in these classes alternate with these teachers every six-weeks. Not

only does this avoid monotony for everyone concerned, but it also gives teachers an opportunity to teach what

they really like. In addition to traditional units on drama, poetry, the short story, and the novel, the classes are designed to emphasize composition.

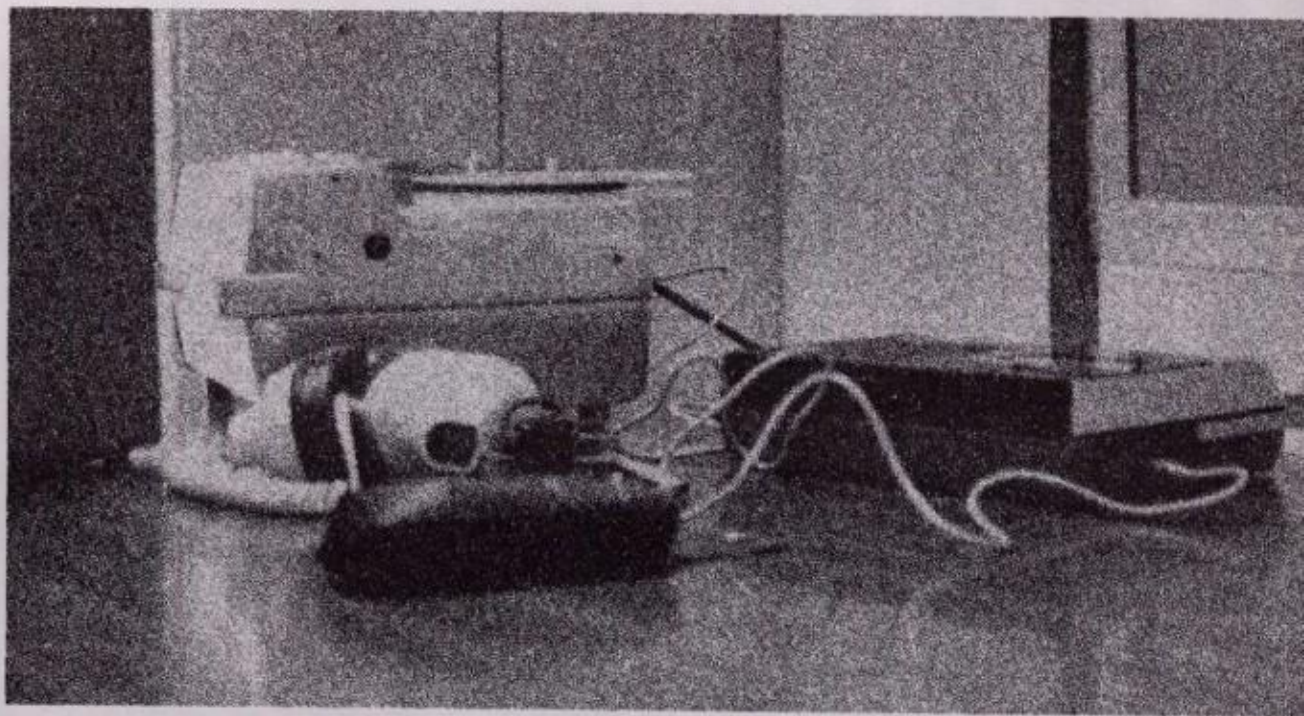

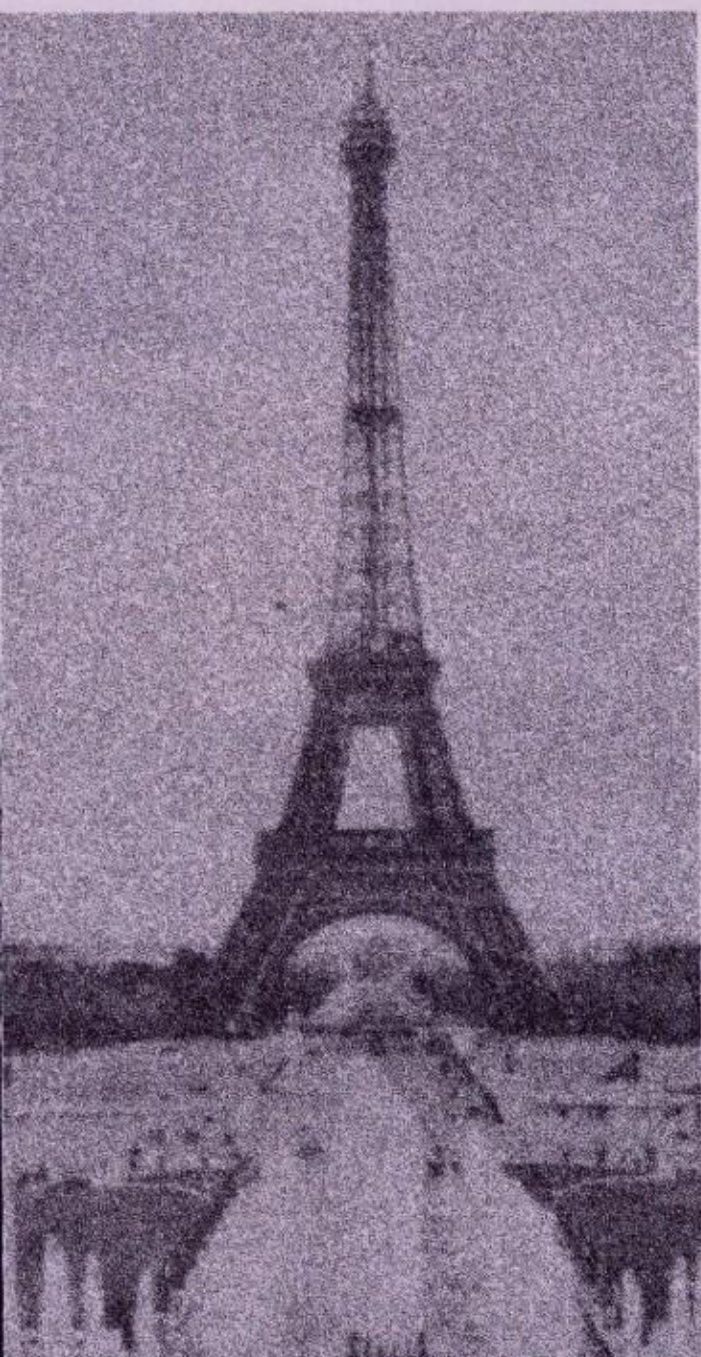

REVOLVING ENGLISH TO CONTINUE

FEDERAL GOV'T FUNDS READING LAB

The reading lab, run by Mrs. Linkish and Mrs. Thomassy, is a special class that is funded by the Federal Government. Its purpose is to help any student in the district who is capable of developing his reading skills. When certain eligibility requirements are met, the students either volunteer for the class or they are selected by Mrs. Linkish. Tape recorders, headphones, lab books, and eye-training devices are constantly in use according to the individual needs of the students.

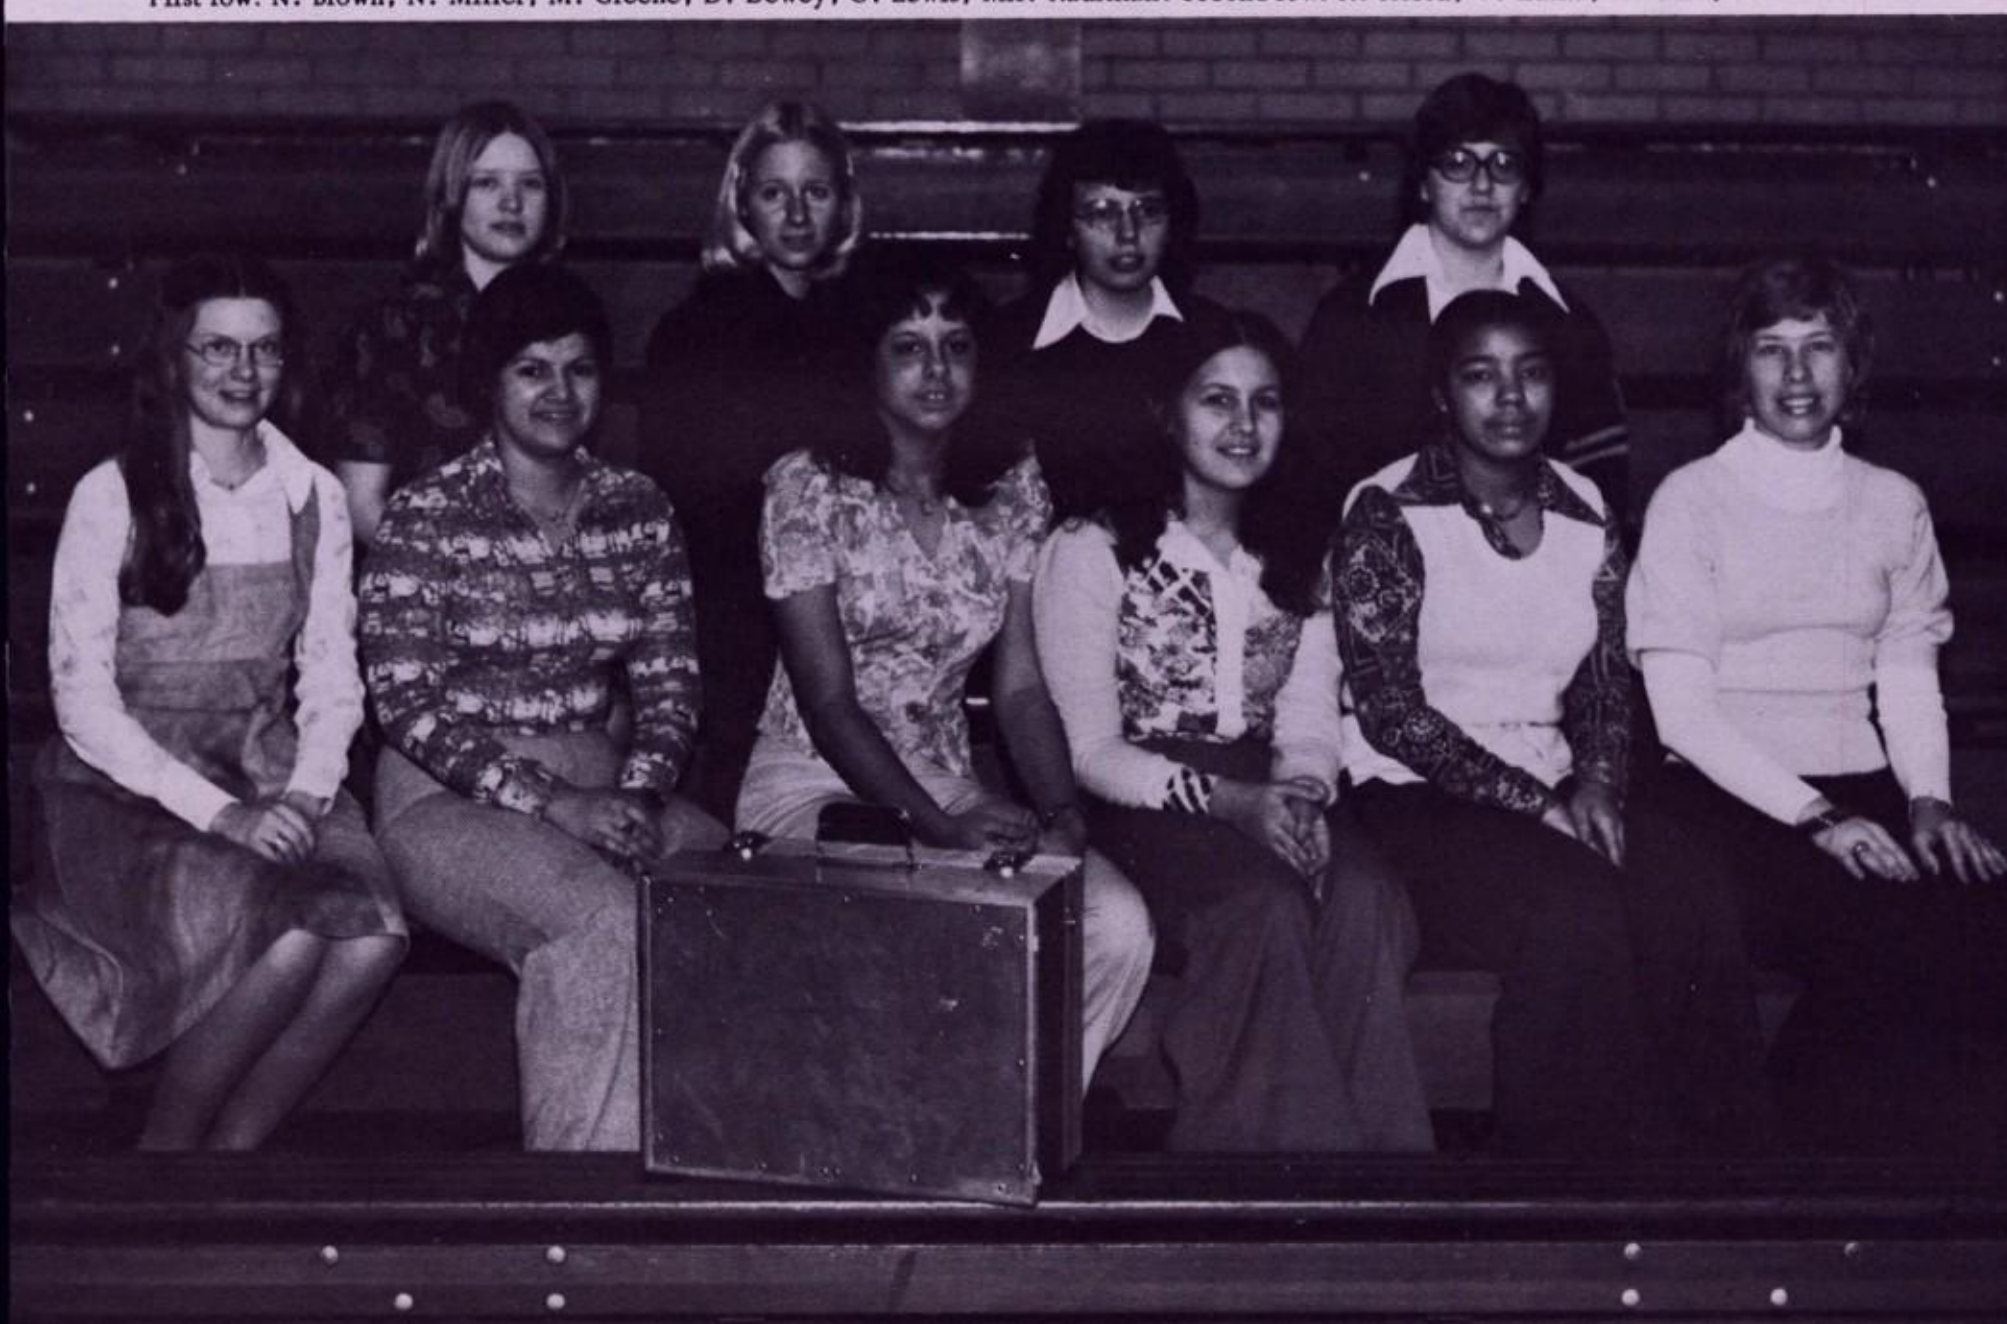

FRENCH STUDENTS TRAVEL TO PARIS

Anyone offered the opportunity to tour the classic ruins of Paris and Nice, sightsee in Monte Carlo, taste real Italian pasta in San Remo, or see the magnificent snow-capped mountains around Geneva, Switzerland, would jump at the chance. That's exactly what nine Fort Cherry French students and their teacher, Mrs. Kaufman, did. The excitement of preparing for the trip - getting their passports and shots, packing - made Easter vacation arrive in no time, and off they went by TWA jet towards the fulfillment of a truly grand and educational vacation.

First row: N. Brown, N. Miller, M. Greene, D. Dewey, G. Lewis, Mrs. Kaufman. Second row: K. Heron, V. Zarka, N. Turk, M. Herbst.

Fort Cherry finished another heart-breaking but successful season with a 14 and 2 record. The strong Ranger Defense kept opponent scoring to a minimum and the Ranger Offense, with a powerful line and quick, agile backs molded together an omnipotent force. Although unable to beat Peters Township in the Black Hills Conference game, four players from the Ranger team were picked as part of the Black Hills All Star Team, Ray Kemp and Gary Jackson as running backs, Marvin Lewis as quarterback and Bob McCaffrey as center and linebacker. Ray Kemp was also picked as a running back for the WPIAL AA All Star Team.

COACH: MR. KING

Even though the cross country record doesn't look very impressive at 1-11, we are still very proud of our team. The boys had trained during the summer and practiced every day to be able to endure the three mile course. Steve Lucarini set the school record on September 9, 1975 with a time of 18:08. Under the watchful eye of their coach, Mr. King, the cross-country team will undoubtedly keep improving until, finally, they will be #1.

This year, for the first time in its history, the girls' volleyball team sported their first win. In fact, the team came through with a record of 5-5. One reason for this miraculous turnover could be that the girls were moved to a different league. Instead of competing against AAA schools as in previous seasons, they competed with such schools as Avella, South Fayette, and Peters Twp. Another reason could be that the girls were put through strenuous training with their new coach, Miss Sunberg. All in all, the girls' volleyball team proved that they could win and are now ready to be #1 next year.

GOLF TEAM

The golf team at Ford Cherry does not get the recognition that it deserves. This year, they finished their season with the outstanding record of 9 wins and 1 loss. They won the sectional and went on to win the W.P.I.A.L. tournaments. In the individual tournaments, Jack Kress and Art Godwin qualified for the W.P.I.A.L. regionals. The Village Green Golf Course in Hickory is the site of home events. Next year, we can look forward to more support and pride for our fine golf team.

Basketball again tried for a winning season and did come close. They sported a 7-9 season record with an overall 10-12 on the year. However, there were several outstanding seniors this year. The most obvious is Eugene Briggs who broke a scoring record by scoring 48 points in one game. He also won the Washington-Greene County scoring title. Other senior lettermen who helped lead the team to a successful season were Randy Lauff, Dave Eiler and Rick Gardner. Jerry Alrutz, Scott Keller, and Mike Bonnett are three promising young stars to watch for next year.

The girl's basketball team finished their second season with a record of 0-12. Neither the girls nor their new coach, Mr. McVicker, however, is discouraged. If a team can finish a losing season with their morale high, we are sure that they will easily show a better record next year.

Once again, Fort Cherry's mat men have made it to the top in one of the most successful seasons in their history. Losing only to unbeaten Wash High, the Rangers were placed number seven in the Post Gazette W.P.I.A.L. standings. The wrestlers took first place in the annual Christmas tournaments with Rich Jones, Ed Ringer, and Ray Kemp as winners and Howard Gregg, Bob McCaffrey and Gary Jackson as runners-up. In the W.P.I.A.L. Section 10 Class A Tournaments, Fort Cherry placed first. Bob McCaffrey, Joe Zombek, and Ray Kemp were the champs, and Rich Jones, Walt Herbst, and Gary Jackson were the runners up. As usual, the wrestling team came through again as the pride of Fort Cherry.

YEARBOOK SALES UP

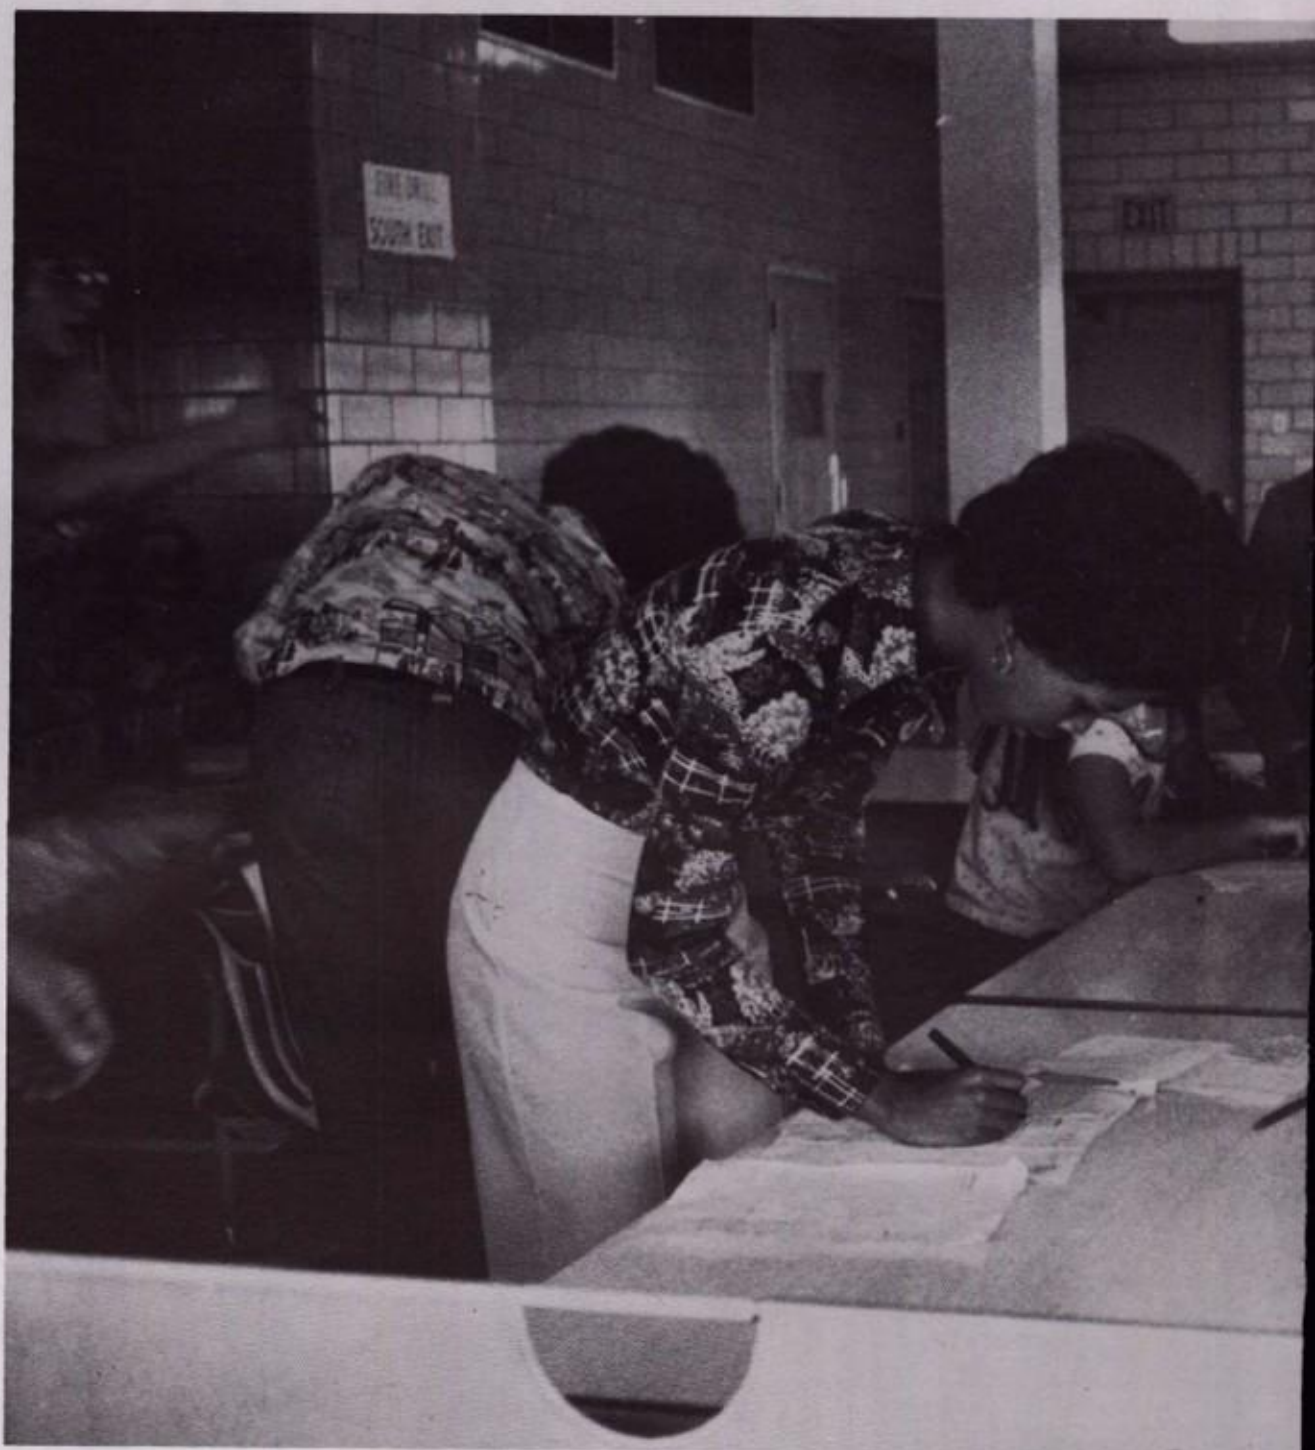

After hearing of new ideas and concepts, people are usually anxious to try them but seldom get the chance. This year, the Panorama staff learned of the "yearbook assembly" at a workshop in September. When the administration granted permission to hold one, the staff had no idea how much extra work it required.

Finding someone brave enough to speak to the whole student body was a big problem. After much persuasion, Marvin Lewis, student council vice-president and senior class president, volunteered his services. After the film was shown and order forms were completed at the assembly, a few days later "validation with full-remittance" day came. Staff members canvassed homerooms and counted and recounted money. Finally, everything was in order, and this year's sale was the most successful yearbook sale in the school's history.

After the initial meeting with Mr. Sprowls came the mad rush to get the faculty's subscriptions. After all, the one with most money on Wednesdays and Fridays would get \$20. And all of those prizes - buttons, mugs, posters, radios, stereos, and televisions - were enough incentive for everyone. So began the big sale: You knocked at countless doors; you persuaded everyone you met to buy; you tried to keep your homeroom and yourself in the running. The "roving dog" trophy finally ended up in homeroom 262. A stereo rewarded Randy Lauff for being the top salesman, and Pam Bozic's name was drawn for a stereo, the mystery prize.

Room 262 got to have their ice cream party in the cafeteria for being the winning homeroom, and the class of '76 had the pride of knowing that their total of \$14,000 was the highest in the school's history.

MAGAZINE SALE BREAKS F.C. RECORD

INTRAMURAL SPORTS COME TO F.C.

Getting up early on Saturday always seemed nearly impossible until intramural sports began this year. It took a while getting used to since interscholastic sports overshadowed the basketball and volleyball tournaments, but Mr. Sprowl's program bounced back with ping-pong. Tensions grew and balls flew as competitors tried to achieve a position on the brackets. The competition grew stiffer as the novices were eliminated. Finally, only the very best remained and those pros faced some very tough matches to reach the trophy. Other sports, looking hopeful are archery, softball and touch football.

FIRST ANNUAL CHESS TOURNAMENT SCHEDULED

Many boys waited breathlessly for the morning announcements on Wednesdays and Fridays to find out who would be their opponents in the first annual chess tournament. The event, sponsored by the math club, offered a trophy for the champion. The boys had a world of fun in contemplating the moves and planning the strategies that would prove to be as rewarding as those of Bobby Fischer. All the contestants stayed with the tournament until the last checkmate, and Fort Cherry had its first Boris Spasky.

PAM BOZIC HOMECOMING QUEEN

The nominations for Homecoming Queen came after weeks of planning by Student Council. While Muggs, Kim, Jan, Kim, Tammy and Pam were busy buying dresses and finding escorts, Student Council was frantically finalizing dance plans and searching for Corvettes. The big night finally arrived, but the cars did not. Miraculously, just before halftime, the classy cars cruised into the field and the nominees and their escorts were presented in front of the Grand Stand. The festivities were highlighted by the announcement of the queen, Pam Bozic. Huge bouquets of flowers and dainty charms were presented to the ecstatic queen and her court. The week-end was soon to be over, ending with a Bobby Harper dance on Saturday night.

Pam and her court will always remember with pride that they represented Fort Cherry in one of its finest traditions.

'75 PROM "STAIRWAY TO HEAVEN"

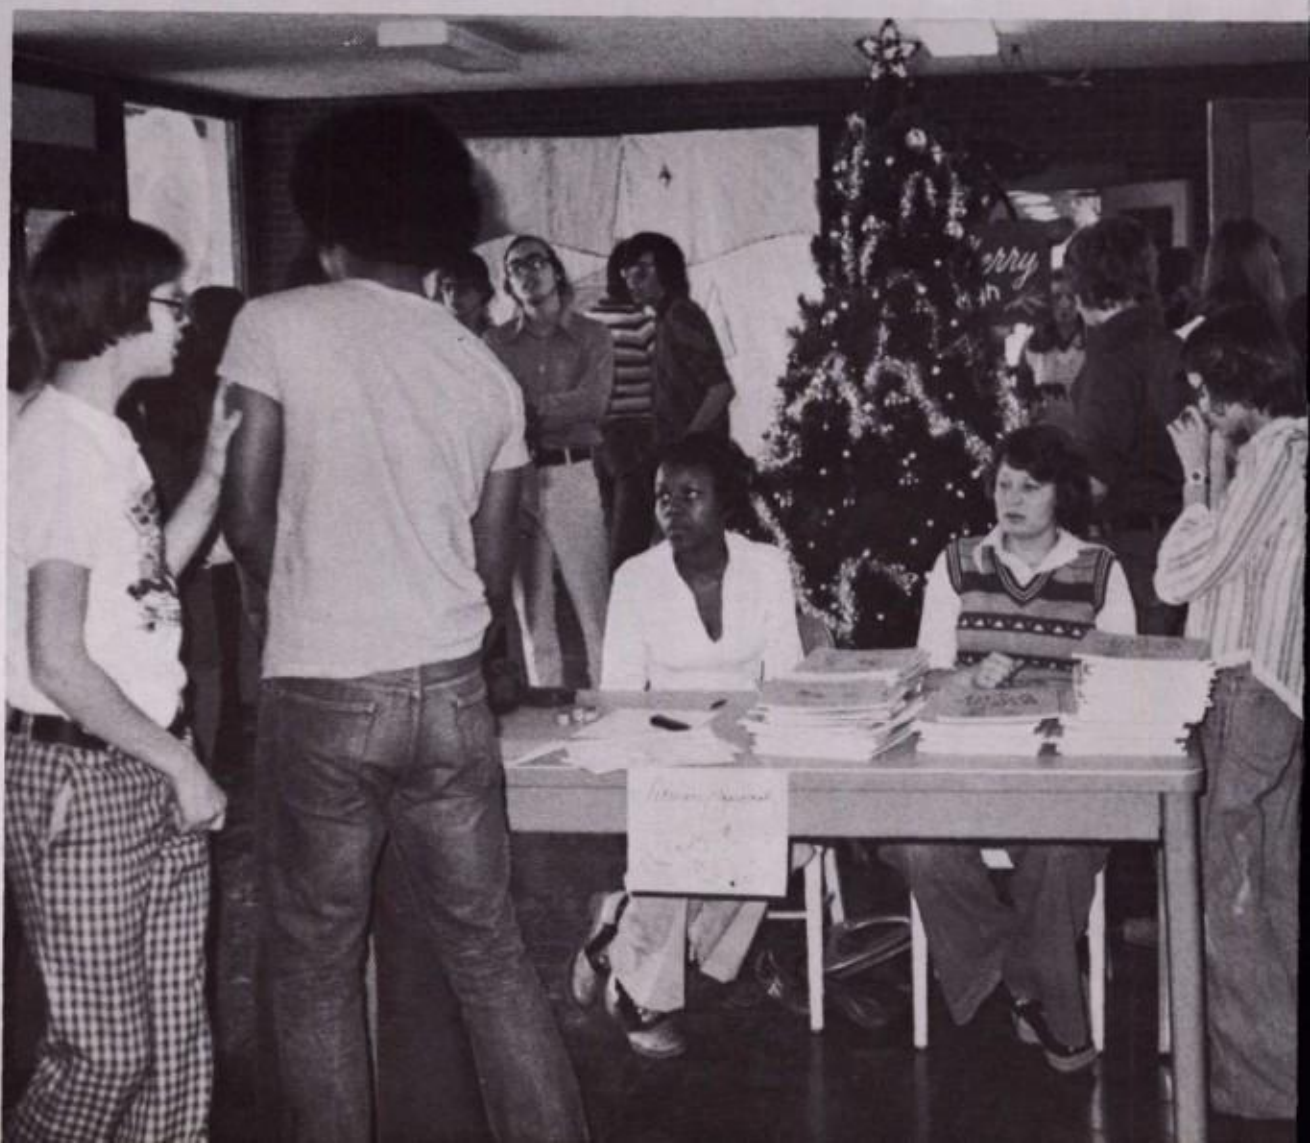

All of the anticipation of asking and being asked, the excitement of buying a gown or renting a tux, and the frenzy of decorating finally climaxed on May 23, 1975. "Stairway to Heaven," the Jr.-Sr. Prom, proved to be the fulfillment of everyone's expectations.

Walking into the gym, becoming entranced by the glittering mirrors and stars, twinkling lights and fluffy cotton clouds, seemed to erase from memory that only a short time ago a few dedicated people were touching up last minute decor. The music of "Life" caught your feet and you felt as though you could "dance all night." "All night" lasted until about midnight when the tantalizing aroma of lasagna and chicken reached the dance floor. Couples trickled into the cafeteria dazzled by the huge stars and glittering moons, memories provided by the parents. Along with the meal came doorprizes and relaxation.

The Post-Prom began with a comical show of the "No-No Song" by "The Jon." Then, full from dinner and sleepy from the late hour, the group relaxed with soft romantic music. Finally, five o'clock came; couples left the enchanting dream for breakfast at the Meadowland, the Hilton or the Airport, exhausted but happy, collecting some of the best memories of their lives.

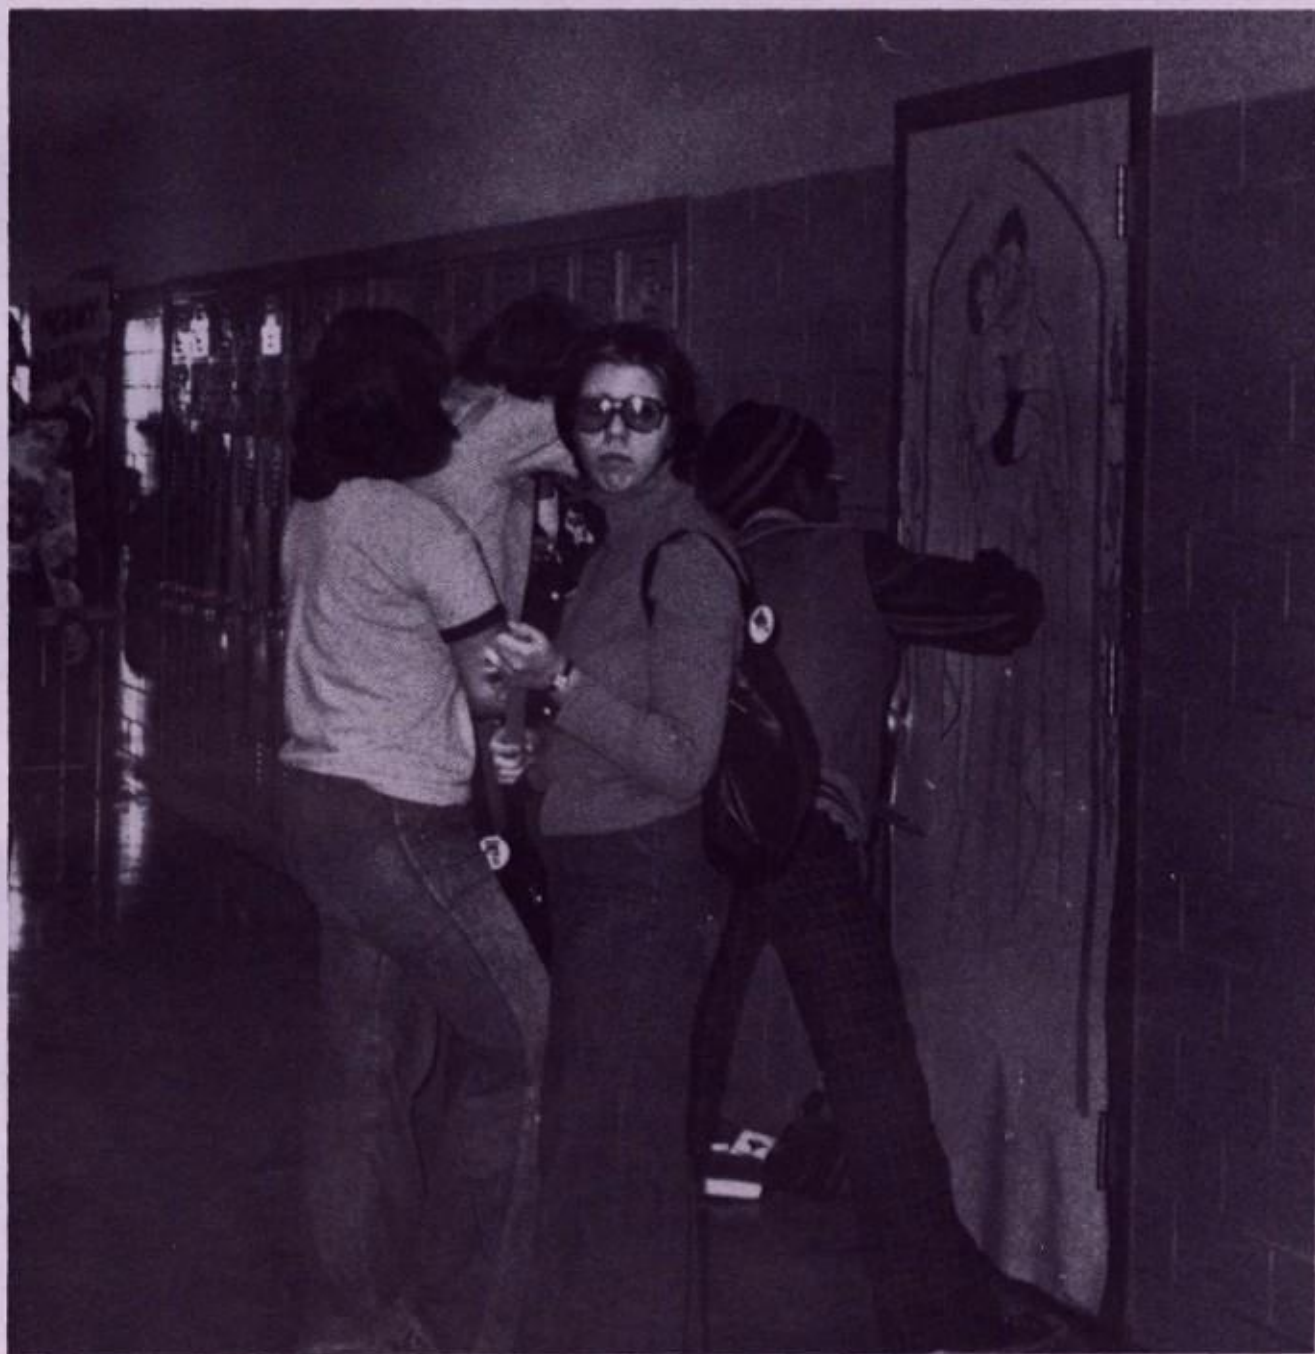

Since Christmas vacation did not start until December 23, activities were planned to bring the Holiday spirit to Fort Cherry. The art classes painted huge angelic choirboys on the lobby windows while homerooms designed door plans for the contest sponsored by the Business Club. The doors were decorated during Activity Period on Wednesday. The packages of construction paper and gallons of paint emerged as beautiful masterpieces. Parties with ice cream and cake were awarded to rooms 265 and 151. Student Council erected their brand new artificial tree, placed the last package under it, and the school was decked with boughs of Christmas cheer. To add to the festive atmosphere, the chorus caroled through the halls serenading students, who were admiring their various grabbag gifts and discussing what to wear to the Christmas Dance, the "Snowball Boogie." A Bobby Harper dance brought swarms of dancers dressed in their holiday best to the gym on December 27. The evening was even more festive because of the wrestlers' title win in the Christmas Tournaments.

JUNIORS PRESENT "THE CRUCIBLE"

The agony of tryouts was followed by the anxiety of knowing who was good enough to make it. When the cast list was posted, swarms of people rushed to discover who this year's "stars" were. As "The Crucible," by Arthur Miller, went into production, the hard work began for the cast, the committees, and the director, Mrs. Hall. Blocking, learning lines, gathering costumes and props - it was all part of the action as the day of the big performance drew near. Last minute preparations kept some of the helpers sewing until 12:00 p.m., but the show must go on.

Finally, as the thunder of applause came with the final curtain, everyone in the Junior Class was assured that hard work, as always, is rewarded.

"BOOK FAIR" SPONSORED BY AACC

Every November, Mrs. Hall and her Afro-American Culture Club can be seen working in the library as they patiently prepare for the book fair. When swarms of English classes come to place their orders, they always find the library decorated with posters, the tables filled with displays of hundreds of books, and the club members eager to take orders. Providing F.C. students with an opportunity to buy books is a valuable service that the Afro-American Club gladly gives to Fort Cherry every year.

CHORUS KEPT BUSY

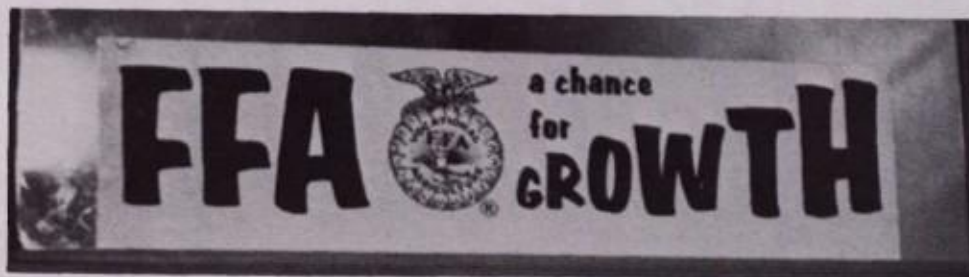

Mr. Tuma's return from sabbatical leave marked the beginning of another busy year for the Rangeaires and the Rangettes choruses. To help celebrate the Bicentennial, they sang "America the Beautiful" and other appropriate selections at numerous half-time shows during the football season. To help collect money for the Children's Hospital, they went caroling at the Washington Mall and at the Greater Pittsburgh Airport. All this was done in addition to the annual winter and spring concerts that always prove to be successful.

FUTURE FARMERS WIN MEDALS

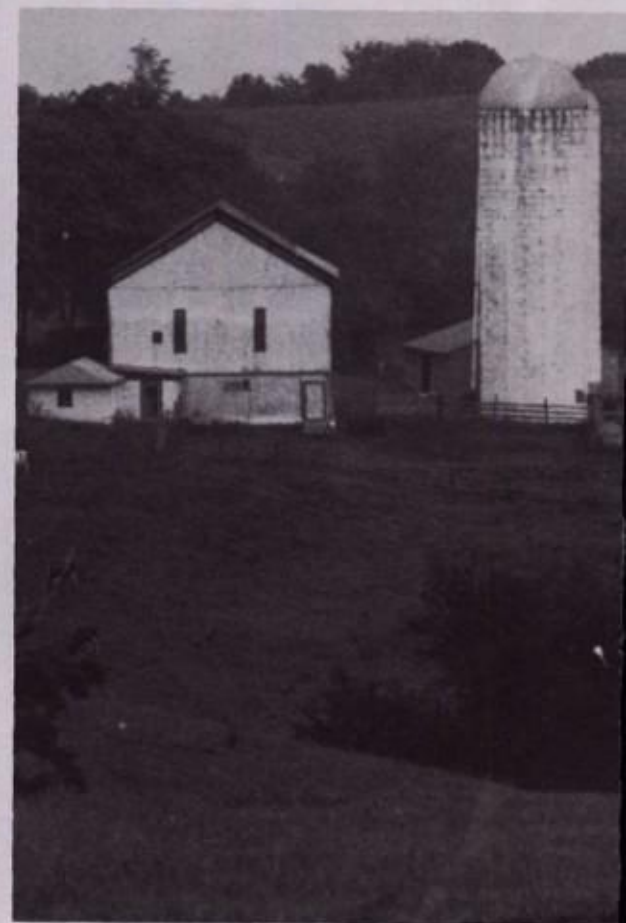

Fort Cherry had three gold medal winners in the Future Farmers' annual state project book contest. They are Harry Descutner, Dave Kraeer, and Joseph Herbst who were kept rather busy making records of projects that they had done in such areas as home improvement, beef breeding, dairy cows, and field corn. The state wide competition at Penn State University also placed Bryan Bell, Michael Jordon, and Michael Salvini in the bronze medal category. We would like to extend our congratulations to these boys on their achievements.

Project Book Winners: Left to right: B. Bell, M. Jordon, J. Herbst, D. Kraeer, M. Salvini. Not Pictured: H. Descutner.

BAUSCH & LOMB SCIENCE AWARD

Robert Francis McCaffrey has been named as the recipient of the annual Bausch and Lomb Science Award. This award is presented to the graduating senior chosen to be the best science student by Fort Cherry's science teachers. Bob clearly deserves this award with his 4.0 average throughout his high school career. Congratulations to Bob on his fine achievement.

The Panorama Staff would like to extend their thanks and appreciation to Ruschel's Studio for their patience and cooperation throughout the year. Many times we were in a jam and each time Ruschel's Studio came through. We hope Fort Cherry and Ruschel's Studio continue to be friends for many years to come.

Thank you,

Indeed the "SPIRIT OF '76"
was, and is, many things,
each of which has been a
building block of our
national greatness. Our
country grew on that

spirit and prospered on
that spirit. When all
else fails it is that spirit
that will be there to
guide us and keep us strong.

 to a really good Christian
 friend I bet along time
 ago. But got to know
 better the past 2 years.
 Remember all the fun
 times we had at the
 football games. Remember
 the youth group from church
 and all the crazy things we
 did. Remember the re treats
 that we went on and the goofy
 things that happened. Good
 luck with the boys (Bobby,
 Rich, John, Jimmy, Jay H. who
 ever.) I ran out of fingers
 and toes to count them
 all. But most of all Remember
 me ~~cause~~ I'm a Joe brain.
 believe that one and I'll tell
 you another one luck and
 success in all you do.
 Love in Christ,
 Cheryl
